

SYNOPSIS FOR THE WEBSITE

SOUTHFIELDS GRID RESIDENTS' ASSOCIATION COMMITTEE MEETING HELD ON 26 February 2008

SGRA meetings are held at St Barnabas Church Hall, Lavenham Road at 8pm on the last Tuesday of each month, except in August and December. All residents welcome.

The Committee discussed various matters at our meeting amongst which were the following topics:

- 1 New Police Officer in Southfields** – PC Amber Thorne has joined our Safer Neighbourhood team from Waltham Forest, bringing the number of officers in our area to 6
- 2. Annual Golden Oldies Party** – all residents of the Grid aged 60+ welcome. Saturday 15th March. 3pm – 6pm at St Barnabas Church Hall. Free entry and refreshments provided.
- 3. Credit Card Cloning** - credit card cloning is becoming increasingly common and local police advise residents to be vigilant and to always report credit card fraud to the police to ensure intelligence can be gathered on the culprits.
- 4. Basement conversions** – a planning application to convert a basement in the Grid has faced objections from some local residents who fear prolonged disruption from the building work, potential damage to adjoining properties and possible problems with rodents and damp.
