### SOUTHFIELDS GRID RESIDENTS' ASSOCIATION COMMITTEE MEETING HELD ON 31 July 2007

SGRA meetings are held at St Barnabas Church Hall, Lavenham Road at 8pm on the last Tuesday of each month, except in August and December. All residents welcome.

The Committee discussed various matters at our meeting amongst which were the following topics:

- 1. Annual Softball Competition : Saturday, 28<sup>th</sup> July at 2pm** – in Wimbledon Park,  
This was a hugely enjoyable event . 70 residents made up six teams and were watched by over 30 spectators. £55 was raised for St Barnabas Church  
The event was organised by the SGRA Social Committee member, Dave Crowther, who has received excellent feedback following the day.

- 2. Road Traffic Speeding and parking:** Cllr Guy Senior attended the SGRA committee meeting to address the concerns raised by local residents on the speed of traffic and parking. Traffic calming measures are being considered for Brookwood and Lavenham Roads in a council meeting in September. Residents still expressed concern over the speed of traffic in other roads such as Elsenham Street
- 3. Crime statistics.** www. Southfields.net will start to give detailed crime figures and information for The Grid and surrounding area.
- 4 Justine Greening, MP announced her MP textline for District Line and Mainline services**  
Justine encouraged residents who use the district and mainline services to sign up to her textline as a way of venting their frustrations over transport delays and overcrowding etc.
